Creating a Speech Learning Dashboard for Guardians of Children with Autism

Honors Thesis by Christian Gideon

A close-up photograph of a hand holding a black fountain pen, writing the word "Dear" in cursive on a piece of white lined paper. The pen has a silver-colored nib. The hand is positioned in the upper right corner, with the thumb and index finger gripping the pen. The paper has faint, horizontal blue lines. The word "Dear" is written in a dark, elegant cursive script, starting with a large, decorative capital 'D'.
